ADMINISTRATION

OUR SUPERINTENDENT

A man who has gained much respect and recognition in the vast arena of the Eastside school system is Mr. Ernest Zeller, superintendent of the DeKalb County Eastern Community School District. During the years, he has shown his abilities as a leader and organizer by uniting the Eastside High School system and making it the best possible place for our educational purposes. We the Class of 1965 wish to express our appreciation for the tremendous services he has rendered to the school and the community.

MRS. HOULTON

These two fine secretaries, Mrs. Houlton and Mrs. McNabb, labor industriously in the Superintendent's office. They do their work well and keep their office running smoothly.

MRS. McNABB

Compliments of HARRY'S TRADING POST and ST. JOE MARKET

OUR PRINCIPAL

Our principal, Mr. Kent Myers, is a very busy person at Eastside. With numerous official duties, he still finds time to lend a helping hand and a listening ear to students at E.H.S. He helps us to graduate by encouraging excellence in scholarship and participation in outside activities. We are grateful to have a principal so interested in the youth of this school district.

Mr. Myers's capable secretary, Gwyn Kandel, is a very integral part of our school system. Serving the students and faculty, as well as Mr. Myers, she has endeared herself to all. She is never too busy to render a helping hand and is always there with her friendly smile and familiar laugh.

Compliments of: BOB TRUMBULL

OUR SCHOOL BOARD

Left to Right, LaVan Boylan, Harold Kagey, Lynn Fisher, Delbert Washler V.P.

We are grateful to the Board of Education for making Eastside High School an organization of which we are proud to be a part. It is through their efforts and capable decisions that we have such an outstanding school.

SENIORS

SENIOR CLASS OFFICERS

Left to right: V. Pres. Gene Sible; Sec. Imogene Nusbaum; Treas. Ellen Sebert; Pres. James Harter.

As this year draws to a finish, the Senior Class is looking forward to the day coming when we shall take our places in this world of tomorrow. Perhaps we may some day look in a newspaper and say of the first man to the moon, "I went to school with him." Or perhaps some great scientist, from our class, will discover the cure for some terrible disease or invent some great device that will improve civilization. Yes, the time has come for another group of young adults to go into the wild blue yonder and plant their feet in the stars.

This final year, the Class of 1965 was active. Senior pictures arrived, and a mad rush began to get every other Senior's picture to keep for memory's sake. Name cards, thank-you notes, and announcements were ordered and received, and excitement mounted toward the climax, graduation.

JUNIORS

CLASS OFFICERS

Left to right: Pres. Jerry Hudson; Treas. Jane Yates; V. Pres. Sheri Kaiser; Sec. Cindy Wilson.

This year the Class of 1966 started the year with a magazine drive which resulted in over a $1000 profit. They watched the Seniors go through their activities, and longed for the time to come when they would be the highest class in the high school. Now, as Juniors, they are in sight of that final goal to be achieved in school.

Juniors were found in almost every club and activity and did their part to arouse school spirit and make this school a greater one than it was.

SOPHOMORES

CLASS OFFICERS

Left to Right: Treas. Joyce Culler; Sec. Anita Houser; V. Pres. Rick Parker; Pres. Jeff Myers.

The Class of 1967 reached a long-awaited plateau, class rings. The Sophomores ordered their rings in the first part of the year. After they came, everyone was busy looking at all the beautiful variations around. When the school pictures came, all tried to capture photos of all classmates. The Sophomore Class predominated the Cheer Block and really yelled their hearts out for the Blazers. The school just wouldn't have been the same without the Sophomores.

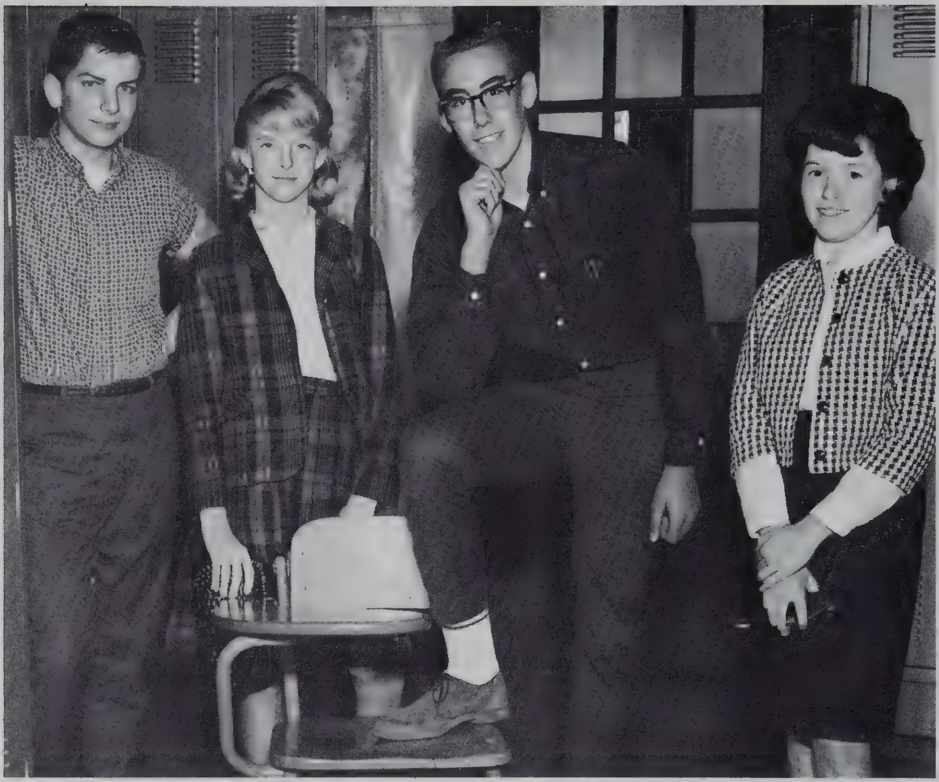
FRESHMEN

CLASS OFFICERS



Left to right: Treas. Richard Fisher; V. Pres. Shawn Campbell; Pres. Mike Storer; Sec. Donna Guy.

For the Freshmen, this was their first year as high school students. They ran around in a haze for a few days until the hallowed halls and sacred rooms started to look familiar and to be more easily found. The Class of 1968 found themselves in a group of unfamiliar faces and did their best to make friends. With eager anticipation of the years of fun ahead, the Freshmen completed their first year in high school.

Following in true Blazer formation and keeping the base paths sizzling with victories, this year's Blazer team again compiled another enviable record. The team was shifted into another league, which was definitely of greater strength and competition. Due to the outstanding coaching of Coach Bedwell and the team's never dying spirit and team play, the Blazer record was virtually indestructable. Jeff Myers and Dennis Reinoehl sparked the offensive drive for the Blazers, while Terry Wilson and Dave Haberkorn eluded the opposition with their well-developed pitching talents. Backed by great spirit, hustle, and desire, the team compiled a fine 16 wins to 1 defeat seasons record.

GIRL'S STATE

Michele Davis and Kathie Oiler

During the summer of 1964, four students of EHS were given the honor of attending the American Legion sponsored program of Boy's and Girl's State. The program was instituted to give young men and women experience in running their own state government. The young people elect their own governors, and all state, county, and city officials. They are also instructed in the use of voting machines and the functions of political parties. All the young people are selected for their good character, interest in government, as well as interest in their fellow students and the communities. Girl's and Boy's State are very rewarding experiences, and each individual profits much by that one week very well spent.

Another year is culminating and the doors of Eastside High will soon close. For some, this will end twelve years of study and extracurricular participation and Eastside will become a pleasant memory as we pass into another phase of life. For others, memories are yet to be made and they will return in September to familiar faces and places.

Eastside's legacy is cognizant of no class or age, laughter and reminiscences will always remain even though its scholars fade.

A MESSAGE FROM THE EDITOR

With the 1965 Easterner completed; as the editor, I would like to say that it has been a pleasure and a challenge to edit this book for you.

To make this book a success, many people have happily given their time I would like to express appreciation to the numerous people who make it possible: to our advisor, Mr. Sherer, who devoted long hours of hard work after school proofreading pages and directing my staff in meeting pressing deadlines: to Mr. Myers, for his leniency and understanding toward the staff and myself when demands for pictures, liberty, and advice was sought; to Mr. Rouch, who arranged for the athletics pictures to be taken; to Mr. Morrisson, who helped prepare the hand pictures; to the typists, who spent long after school helping the book to meets its deadlines which were all too soon; to the business manager, Kathie Oiler, who sold advertising which kept the book financially stable. without the assistance of these people this book would not have been possible.

Once again, it has been a pleasure to edit your 1965 yearbook and I hope it will bring back all of the memories of the 1964-65 school year.

Yours truly,

Gene Sible
